

## Superfast broadband comes to rural Dorset

TEN thousand homes and businesses in dozens of villages around the Dorchester and Weymouth areas will have access to fast fibre broadband by Christmas.

It is hoped it will provide a boost for rural business and allow better access for homes, many of which now want to use multiple devices at the same time.

But while many will get

by Trevor Bevins

the faster service, if they pay extra, there will still be parts of some villages and entire areas which will have to wait even longer.

While most of Crossways will get the better service, approximately

half the village will have to wait beyond 2016. A similar situation applies to Martinstown and the Puddletown area.

Cerne Abbas and the Piddle Valley villages, Beaminster and Burton

Bradstock are not scheduled for improvement until at least 2015.

The new areas, announced at an event in Frampton Village Hall on Monday evening will mean that by the end of this year the Superfast Dorset programme will have created the potential

for 20,000 local homes to get fibre broadband.

So far Dorset councils have pledged £10.75 million of council taxpayers money to the Superfast project with BT and other partners putting in an additional £22.3 million – a

**BERNARD** Critchley has lived in Crewkerne for the last four years after living and working in Norwich and coming back to the West Country with his two sons, Arthur and Matthew.

Bernard has spent over 30 years working as a tax specialist with various accountancy firms but now works for Tax Help UK - a charity set up to help the elderly - based at the Pineapple Business Park in Salwayash, Bridport.

● **YOU are currently working for Tax Help for the Elderly UK. What inspired you to do that job?**  
I joined Tax Help to be able to use my knowledge and experience to help people who wouldn't otherwise be able to pay for professional help.

● **YOU were granted the Freedom of the City of London... how did that come about?**  
I became a member of the Worshipful Company of Tax Advisers in 2002 (a City of London Livery Company) and as a result, in 2003, I was able to apply for Freedom of the City of London.

It doesn't unfortunately give me the right to drive sheep and cattle over London Bridge or to carry a naked sword in public as is generally believed. However, I have twice taken part in the Lord Mayor's Show, where we dressed up to represent taxes through the ages. I dressed as entertainment tax and juggled along the length of the procession.

● **I UNDERSTAND you enjoy magic and performing tricks, could you tell me a bit about that?**

I did a circus skills evening class in the 1990s and learnt how to juggle. I can juggle four balls, or three clubs/rings and I can also walk a tightrope. I have been doing little magic tricks since I was a child and used to entertain my own children with some tricks. When I started lecturing in tax for professionals I also used magic tricks to illustrate my talks.

● **DO you have any other hidden skills, interests or hobbies?**

I am a qualified cricket umpire and travel around Somerset, Wiltshire, Bristol and Gloucestershire during the summer months. I collect political autographs and have 15 US presidents, 11 US Vice-Presidents and every British Prime Minister since 1900 in the collection. I also collect cricket memorabilia.

● **IF you won the Lottery, what would you do?**  
I would give 10 per cent to charity, pay off my debts, give some money to my children to help set them up and complete my set of Wisden Cricketers' Almanack (a cricket reference book) from 1864 to date as I still need a further 91 copies.

● **WHICH three people would you invite to your dream dinner party?**

Thomas Jefferson as he is by far the brightest politician ever to be President of USA. Dylan Thomas who

turned writing in the English language to an art form not seen in the 20th Century with the possible exception of TS Eliot. Eric Morecombe as he could see the funny side to anything and could liven up any dull part of the evening.

● **IF you could live you life again, what would you be?**

If I had my life again I would like to have been either a maths teacher or an actor.

### Notes left on drivers' cars

A DORCHESTER resident has been offered police "advice" after notes were left on cars parked in Alfred Road.

The area is popular for rail station travellers and town centre workers as it has no parking restrictions.

Police acted after several car drivers complained about the notes left on their windscreens.

A police spokesman said that drivers had every right to park in the road and should not be intimidated.

### Rural crime prevention

A RURAL crime prevention day is being held at SCATS Countrystore in Dorchester on Saturday, June 21st June from 10am until 2.30pm.

It will offer free tack marking sessions and crime prevention advice as part of Dorset Police's Neighborhood and Home Watch Week.

Police officers will be in store throughout most of the day offering practical advice to help protect rural properties as well as those who have sheds and outbuildings in the town.

Sue Langford, Store Manager at SCATS Countrystores in Dorchester said: "A large proportion of our customers are rural dwellers with vulnerable premises, so this is our way of helping bring police and customers together."

## Citizens to discuss town traffic scheme proposals

A "CITIZENS panel" will get the chance to have their say on 14 different suggestions to help solve Dorchester's town centre traffic congestion.

The ideas, all of which are thought to be possible solutions, have been distilled from almost 600 responses at last year's consultation on the Dorchester Transport and Environment Plan (DTEP).

These contained 200 suggestions.

A news release from the county, district and town council said these suggestions were initially condensed into 38 separate issues to assess whether they were either too expensive, unachievable, did not meet the objectives of DTEP or simply would not work.

Councillors and officers from

Dorset County Council, West Dorset District Council and Dorchester Town Council have since met to discuss these issues and found that 14 of the 38 had potential and should be analysed in more detail. These will now be considered by a Citizens Panel being established by the town council made up of residents from across Dorchester.

Councillor Andy Canning, chairman of the group leading the way forward for DTEP said: "We are determined to listen to the people of Dorchester and surrounding areas to create a scheme that will succeed in making Dorchester better."

"Some good suggestions were put forward through the consultation process and there are four top areas

of concern that we are hoping to address."

Dorset County Council Cabinet member for Environment and the Economy, Peter Finney said: "We must get this right. This scheme, if it goes ahead, will have a direct impact on the residents of Dorchester which is why it is important that we listen to their feedback. The Citizens Panel will have a major say in which of the proposals for change end up in the final plan."

Following a report which will go to cabinet in September, subject to approval, further traffic modelling will be carried out to make sure the proposals work. The new proposals will then go forward for full public re-engagement in 2015.

## Weak phone signals behind sign problems

NEW digital car park signs in Dorchester are suffering – because of a weak mobile phone signal.

In response to criticism from town councillors that the signs are inaccurate the county council now say part of the problem could be the way the signs receive their information.

They have told the town council that sometimes the phone signal is weak which prevents information updates to the signs which show the number of car parking spaces available.

"The communications between the signs and the system

at county hall is proving to be unreliable due the mobile phone signals in Dorchester being weak. When networks are overloaded, data sim connections are the first to suffer.

"We have tried Vodafone and O2 as our provider and both have proved to be troublesome...we are investigating the possibility of using local radio communications instead of the mobile phone network," said a county council spokesman.

"Please be assured that we are working hard to resolve these ongoing issues."

## Villages to get superfast broadband

FROM page 1

cost of over £1,600 for each potential connection, so far. As more homes and businesses join the scheme the costs per connection will fall.

Project leaders say that without the investment from the public purse 80,000 homes across Dorset would not have access to higher speeds.

BT programme manager Grant Munn said on Monday that the new phase of the project will include work in the exchange areas of Abbotsbury, Dorchester, Maiden Newton, Martinstown, Preston, Puddletown, Upwey and Warmwell.

"Superfast Dorset has been making strong progress since it was launched less than a year ago. The first homes and businesses in the county to benefit from the partnership already have access to this exciting technology and now, as this latest announcement shows, we are

reaching out to many more rural communities. High speed fibre broadband will boost the competitiveness of local businesses as well as providing new learning and entertainment opportunities for households," he said.

Alison Moore, president of the Dorchester Chamber of Commerce, said the faster speeds will allow rural business to better compete with those in urban areas and improve productivity for those who need to up and download large files.

A new map was unveiled at the event to show all the areas where fibre services will be available by Christmas and where the project plans to go next year. The interactive map is available at [www.dorsetforyou.com/superfast](http://www.dorsetforyou.com/superfast)

Councillor Jill Haynes, Cabinet member for adult social care said: "Gaining access to the fibre network will be a huge opportunity for residents and businesses in these communities."

The Fibre to the Cabinet (FTTC) technology being used in the second phase can deliver download speeds of up to 80Mbps and upload speeds of up to 20Mbps through fibre running to a fibre optic street cabinet. According to regulator Ofcom, the average download speed in Dorset is 10.9Mbps although many areas will be running at less than 2Mbps.

The Superfast Dorset partnership aims to have made superfast broadband available to 95 per cent of the county by the end of 2016. The programme is also committed to ensure a minimum speed of 2Mbps for all premises within the programme area, on request, where fibre broadband is not viable.

## Consultation on how to deal with offenders

DORSET Police and Crime Commissioner, Martyn Underhill has launched a three month consultation to give people a greater say in how anti-social behaviour and low level crime is dealt with in the county.

The recent Anti-social Behaviour, Crime and Policing Act places a statutory duty on all PCCs to develop a list of "Community Remedies". From this autumn, victims will be able to select the punishment for the offender from a menu of options.

Community Remedies are likely to include measures such as repairing damage to property, cleaning up graffiti or receiving a punishment proportionate to the crime. Victims can also ask the offender direct questions, mediate or receive an apology. By bringing together the offender with the victim of their crime, it's hoped they will better understand the impact of their actions. Community Remedy is a way of delivering justice without going through the traditional court process.

In addition to the online survey, the Dorset Office of the Police and Crime Commissioner will also be holding a number of focus groups to consult com-

munities on what they'd like to see on the list of Community Remedies. The first focus group will take place in Wareham, June 24th.

Dorset Police and Crime Commissioner Martyn Underhill said: "Community Remedies give victims a greater voice and puts them at the heart of punishment for offenders. I want to consult as many people as possible over the next few months so I can collect a wide range of views

"Last year there were 29,436 recorded incidents of anti-social behaviour in the county. Community resolution benefits the victim in gaining closure on the incident and helps the offender to break the cycle of crime."

"I am passionate about victim care – this is something the people of Dorset have been asking for and victims want this option as an alternative to the court process."

## Police crackdown on domestic abuse

DORSET Police have announced that there will be additional specially-trained officers dedicated to victims and those who commit domestic abuse for the duration of the World Cup.

From Friday, June 13th to Sunday, July 13th, officers will be conducting extra reassurance visits to high-risk victims to ensure they continue to be safe.

Police will be targeting serial perpetrators of domestic abuse and ensuring effective safeguarding measures are put in place in relation to children and vulnerable adults.

Known offenders of domestic abuse can expect to receive a police visit to ensure they are abiding by any special conditions or court orders. Along with robust monitoring, officers will also be providing a response to any reported incidents.

Detective Inspector Richard

Dixey said: "We are determined to support victims in reporting these crimes and make sure those who inflict abuse are brought to justice. This is a priority for Dorset Police.

"Along with our own experienced and specially-trained officers who investigate these offences, we also work in close partnership with other support agencies who can also offer support, advice and guidance."

Dorset Police receives on average 700 reports of domestic abuse per month across the county. Reported incidents of domestic abuse tend to increase when major sporting tournaments take place.

Dorset Police have extra powers through the recently introduced Domestic Violence Protection Notices and Orders, to bar a suspected perpetrator of domestic violence from contacting a victim

and stop them returning to a victim's home.

Members of the public can also apply to the police on 101 under the Domestic Violence Disclosure Scheme (Clare's Law) for a disclosure on a suspected offender's past history known as the "right to ask".

The scheme is for anyone in an intimate relationship regardless of gender.

Anybody can make an enquiry, but information will only be given to someone at risk or a person in a position to safeguard the victim. Partner agencies can also request disclosure is made of an offender's past history where it is believed someone is at risk of harm. This is known as "right to know".

# Group set up to back turbine plans

A NEW group has been set up to encourage wind turbines in West Dorset.

It comes after opposition to proposals for turbines off Slyers Lane between Dorchester and Charminster and at Tolpuddle.

Dorchester resident and spokeswoman, Jeanie Averill said: "I find it very difficult to sit back and do nothing when the Department of Energy and Climate in their ninth public attitude survey in March found that 70 per cent of their representative sample of 2,040 householders supported onshore wind development. Only 12 per cent didn't and 19 per cent were on the fence. When asked if they would be

"happy to have a large scale renewable development in their area", 59 per cent said yes, 17 per cent said no and 22 per cent again were unsure. Our group wants to provide accurate information to the public and make it easier for the silent majority who do support wind energy to make their views heard."

Another member of the group Mike Tunbridge added: "Much of the information put out by local campaigns against wind energy is full of mis-information designed to negatively influence public opinion. For example, a statement recently issued by the 'No SLYERS Lane Turbines' group claiming the UK has already met its legally binding 15 per cent EU

target for renewable energy by 2020 is nonsense. The UK's renewable energy production in 2013 was actually 4.8 per cent of the total energy we use. A three-fold increase in the next six years is required to meet our modest target. Most other European countries have agreed higher targets having realised there is no future in continuing reliance on fossil fuels if we are to have a planet fit for human habitation in 2100."

The West Dorset ProWind group is planning a series of public events over the summer months, and can be contacted by email at westdorsetprowind@outlook.com.

## Collage of Dorset memories

DORCHESTER'S Maiden Castle House is asking local people to pop in this Friday, June 20th, bringing with them a favourite photo, drawings or newspaper cuttings to add to a giant collage.

The event takes place between 10am and 4pm as part of National Care Home Open Day. Themed "The People and Places of Dorset", the collage looks to celebrate Dorset old and new.

Former mayor of Dorchester, Leslie Phillips, will be giving a talk at 10.30am about his memories of Dorset and the three times he has held the office. The home will also be holding a craft sale and a cake sale.

Home Manager Dawn Palmer, said: "At Maiden Castle House we're fully behind National Care Home Open Day, which aims to get more people involved in care home life by organising activities that everyone will enjoy.

"We hope as many people as possible will come along and help us build our collage of Dorset. It'll be fantastic for everyone to share their memories of the places and people they knew to build a really special piece of artwork."

## Listening to patients day

A 'LISTENING to Patients' event is being held at Dorset County Hospital next week - for those who have been diagnosed with cancer within the last year or two.

The event is designed to investigate how patients might better be looked after in the future.

The event, on Thursday, June 26th, between 3.30pm and 5pm, is open to anyone with a story to tell.

The Macmillan Patient Experience Team have already listened to the stories of dozens of local people and will re-tell some of those stories during the afternoon.

### Will houses be affordable? : Where has patriotism gone?

IN reply to your article on council "wishy washy" approach over future of the Dorchester prison (Issue 394, page three).

I was impressed with the Dorchester Civic Society's chairman, Alan Rowley's vision, saying it was good to keep the historical parts and add a mix of affordable houses/flats.

My main concern it that in Charles Street the affordable housing aspect was considered "not financially viable" and scrapped. Similarly, the Stratton House site has so far come up

short on any affordable housing.

I am not too hopeful for the prison site, as I am sure West Dorset District Council will again come up with the "not financially viable" option and the local people of Dorchester will the fobbed off again,

WDDC, get your act together and build houses for locals they can afford to buy!

Dorchester

AS a visitor to the UK, I am compelled to write in the hopes that you will share my comments with your readers regarding an article printed on June 4th, 2014, entitled, 'Does Dorchester care about turbine plans?'

One of the major considerations with turbines is that the maintenance costs can cost as much as £35,000 for a single

repair. Turbines are not only a detriment to birds, they are a health hazard for humans and where I come from have driven people from their homes. Everyone knows the turbines are unsightly and a blight on the landscape. As for the turbine company offering shares to local citizens, this is a divide and conquer tactic that pits neighbour against

neighbour and in some cases family members against each other.

It is astonishing that other countries are dictating what Britain will do and when - this begs the question where has the admirable British pride and patriotism gone?

## Firemen receive awards for bravery

SIXTEEN Long Service and Good Conduct medals will be presented to members of Dorset Fire and Rescue Service at the annual awards ceremony tomorrow, (Thursday, June 19th).

Among the awards were special commendations to those who helped the victims of two serious road crashes in the Dorchester area.

Dorchester firefighter Daniel Holderness received his Chief Fire Officer commendation for trying to save the life of a car accident victim, whilst off duty in February 2013 at Cambridge Road, Dorchester.

A similar award will be presented to Steve Arnold, Andy Bilton and Brian Keane for actions taken at a road traffic collision in June 2013 on the West Stafford to Crossways road near Dorchester.

The three men pulled two drivers from their cars

before they caught fire.

Andy Bilton and Brian Keane were awarded Queen's Commendations for bravery, for their actions.

Chief Fire Officer Darran Gunter said: "I am very proud of the service we deliver to Dorset and of all those who make up that service.

"In addition to recognising the members of staff who have worked within Dorset Fire & Rescue Service for 20 years, I am delighted to be presenting awards in four other categories.

"This allows us to praise the excellent work being done above and beyond the call of duty with regards to work within the community, making a difference to the service, young achievers and professional achievements."

# New team, new route but

■ JUDGES had a hard time spotting the winners

■ CROWDS watch the procession pass by Brewery Square

■ CLOWNING around - the Sansom and Grindle-Phillips families

A NEW route and a new organising committee succeeded in bringing carnival fun to Dorchester at the weekend – helped by near-perfect weather.

Hundreds took advantage of the new route through Brewery Square as more than 30 entries took part in the parade led by the town's Carnival Band and Town Crier Alistair Chisholm.

But the switch to the square meant fewer people in traditional viewing areas elsewhere in the town.

In an attempt to slim the event down there was no carnival bunting in South Street, no Carnival Queen and no carnival draw. The number of floats was also down – to less than six, with only a handful of commercial entries.

But chairman John Palmer said the event was as much fun as ever and would still raise a significant sum for local charities – although he conceded that a lack of major sponsor and no raffle would have an impact on the takings.

He praised organisations like Rotary, the Lions and others, including many individuals, who had stepped in to help after Dorchester Round Table said their falling numbers meant they could no longer continue with the event on their own.

“At the end of the day we had a good carnival, loads of people turned out to see it and those who took part enjoyed themselves,” he said.

The Round Table still played its part – both by helping on carnival day and with the Friday night four-legged race around the town which coincided with a successful Party in the Park.

It was a Dorchester Round Table team, of Rob Matthews, Lee Turner and David Reeves who easily won the event, completing the town centre course of pubs in less than twenty minutes, despite the hindrance of their superhero costumes.

Friday also saw free rides for pupils from the Westfield Technology College, Mountjoy School and the Dorchester Opportunity Group courtesy of Wynn's

funfair, assisted by Rotary members and others. Said Andrew Jones from the club: "This is one of the easiest things that I have done for Rotary, but by far the most rewarding."

Brewery Square played host to an Italian market on Friday and Sunday as part of carnival events and put on live bands until 10pm on Saturday.

It was from the terrace of Zizzi that Mayor and May-

orress Peter and Sheila Mann judged the carnival entries together with the Odeon cinema manager Alan Escott and Brewery Square manager Ben Abbiw.

Mayor Peter Mann said it had been difficult to choose between the entries, but a fun job which he and fellow judges thoroughly enjoyed.

Among the float entries were Sunnydays Playgroup with Alice in Wonderland; Dorchester Community Nursery with Gnomeo and Juliet, Westfield Arts College with their Noah's Ark which started with 16 participants, but grew to around 30.

## Donation for credit scheme

THE Volunteer Centre in Dorchester has received a £750 donation towards its new community credit scheme from Magna Housing Association.

The scheme provides supported volunteering for people with learning disabilities, enabling them to volunteer their time and skills with a mentor. In exchange, the volunteer receives credits that can be exchanged for social activities such as sports, museums and the cinema.

Magna's £750 donation came from its community initiative fund, which provides funding for community projects, allocating £120,000 a year to things which will improve the areas where residents live and £30,000 to donate to charities and organisations that provide services that benefit residents.

Siobhan Davis, community co-ordinator at the Volunteer Centre, said: "We spent the donation on leaflets for the new initiative, including booklets in picture format. This money has been a great asset to the project as printing can be very expensive, particularly in colour which is crucial when working with people who have learning disabilities."

## Cash boost for strollers

DORCHESTER Strollers have received a financial boost with grant donations from a number of organisations.

The group, which offers free gentle walks to help improve fitness, usually meets at least twice a week. Walk leaders and other helpers are all volunteers.

Group treasurer Ron Kirby says that £100 donations have been made to the group from Dorchester Carnival, Dorchester Town Council, the Co-op, Warburtons bakers and £105 from the Rotary Club of Dorchester.

Since the group started in 2003 the average number attending each walk has increased from seven to 22.

# Concerns over new school plans highlighted at public exhibition

PLANS for a new school at Poundbury, to replace Damers Road School, have been broadly welcomed.

But some residents used two public exhibitions to express concern about the lack of specific drop-off and collect points for drivers and the extra distance some children might be expected to walk.

The project also includes the re-location from the town centre of the Dorchester Community Church, to a site alongside the new school off Peverell Avenue, close to the Dorset Cereal factory. By working together the site would be able to offer a larger community hall than it otherwise would have done.

And lorry traffic to and from the factory was also seen as a concern to some: "Sometimes there is a queue of lorries waiting to make deliveries. With this plan they will be waiting right outside the new school," said one woman in a comment sheet submitted to planners.

The new school building will be for 600 pupils, about 25 per cent more than the present numbers.

Commissioning manager for Dorset County Council's children's services Paul Scothern said his team was de-

lighted that so many people had come to see the plans, shown at Damers School last week and at Poundbury on Saturday. He said there would be further chances for people to comment when the planning application formally submitted for discussion and decision.

## Fingers crossed for sun as Skatejam returns

THE Skatejam event, postponed from earlier in the year because of bad weather, will be taking place at Dorchester's skatepark this Saturday, June 21st.

Organised by the Dorchester SK8 Park Committee the event is expected to attract some of the region's best as a qualifying round for a national competition.

The event starts at 11am and will include demonstrations, music and food.

Steve Newman, deputy town

clerk at Dorchester Town Council said: "We are looking forward to the rearranged Skate Jam on Saturday. It is a Nass qualifier this year so it is important we get good weather but being late June I am sure it will be."

"The town council are very pleased to support this event annually and are confident that there will be a very high calibre of sportsmanship on show."

The Dorchester Skatepark Committee, who have organised the

event, have managed to gain national support and sponsorship for the day.

Maverick, the company who built the skatepark, will be there with other companies who will also be bringing teams of skateboarders and BMX riders.

Participants of all ages are encouraged to go along and join in but under nines must bring an adult to register them and all riders are advised to wear helmets and other suitable safety gear.

## Broadmayne at war weekend

BROADMAYNE is holding a series of events this weekend to mark the part the village played in the build up to the D-Day landings in 1944.

They include a 1940s style fete, entertainment in the village hall, a campsite and living history displays including a display of historic vehicles and a scare-crow competition.

Planned by the Broadmayne World War II Society the event, on Saturday 21st, commemorates how the village was used as a marshalling area for US troops preparing for the D-Day landings.

Events include, at 11am, a presentation by the local history group in the village hall; a Remembrance Ceremony at the Playing Field at 12.30pm followed by the fete with entertainment on the field and in the hall and a barbecue from 4pm. There will be a big band dance in the hall during the evening.

On Sunday morning vintage vehicles which have been in the village will leave for the Weymouth veterans parade with the final event being a 'vintage' cinema in the hall from 7.30pm.

## Gaggle of Geese pub to close

THE Gaggle of Geese pub in Buckland Newton has closed 'for the foreseeable future.'

Landlords Paul and Jinny Lambert say a lack of customers was behind the decision which is also likely to mean the end to the annual charity Goose Auction, unless new organisers can be found.

The pub had only been open on three evenings a week in recent months.

In the short-term the pub will continue to provide a postal service for the village on Mondays, Tuesdays and Fridays from 9am to noon.

## Recycling benefits village causes

MORE than £480 will go to community causes in Frampton – thanks to residents donating their own newspapers and magazines.

The items are collected at 4 Church Lane and then sold, the income helping groups in and around the village. An average of around four tonnes is collected every month.

## Gypsy site up and running

A TEMPORARY site for gypsies and travellers has been opened at Piddlehinton – the same site used during the Olympics.

It has pitches for 25 caravans with access to toilet facilities and fresh water and is close to a permanent gypsy site in the village.

Having a transit site means that police can use their powers to move travellers from unauthorised camps to the site.

Cabinet Member for Environment Peter Finney said: "It's a real step forward that we're able to open this site and provide somewhere for gypsies and travellers to make temporary stops. We are the first authority in wider Dorset to provide a site like this."

"This is an emotive issue on both sides but, as we saw during the Olympics, having a designated site allows us to manage any issues which arise more quickly and efficiently."

Without a transit site, councils need to seek a court order to move people on from unauthorised camps.

## Speeding upsets villagers

TOLPUDDLE residents are unhappy about speeding vehicles and parking on the pavement at the eastern end of the village.

The annual meeting was told that despite the new homes on the edge of the building having allocated parking the difficulty in using the spaces led to residents parking on the road – with cars often pulled up on the pavement.

Concerns were also expressed about speeding traffic and the fact that signs on the road warning about 30mph speed limit had worn out.

"It's like Brands Hatch up there on some day. Even smaller villages have road markings to warn drivers to slow down," said one resident.

The meeting heard that police had told one complainant that parking on the pavement was not illegal and were reluctant to get involved, as was the Highways Agency.

## Campaigners drum up support for lab services

**CAMPAIGNERS** collected signatures to keep path' lab' services at Dorset County Hospital at the weekend

MORE than a thousand signatures were added to a petition to save Dorset County Hospital's path' lab at the weekend.

Plans being considered by the hospital could see the service moved to Taunton and privatised with local job losses.

A Staff Briefing Paper highlights the privately-owned South West Pathology Services at Taunton as

the leading alternative to keeping services in Dorchester.

Most of the testing work, from patients in Dorset County Hospital and from GPs in South and West Dorset would be sent to the private laboratory in Taunton for analysis, although a small "essential services laboratory" would be left at Dorchester, if the plans go through.

## Wander around Cerne's open gardens

PRIVATE gardens at one of Dorset's most iconic villages, Cerne Abbas, will be open to the public over this weekend.

Around 25 gardens will be available from 2pm until 6pm on Saturday, June 21st and Sunday 22nd. Day tickets to all the gardens cost £6 (or £10 for the two days), accompanied children free.

The event will also include a plant stall, teas in St

Mary's Church and free car parking from 11am until 8pm. The proceeds will be divided this year between the Cerne Valley Young People's Trust and Future Roots, the group which runs Rylands Farm near Sherborne and is just opening a new centre at Frome Whitfield on the outskirts of Dorchester.

The event typically raises more than £5,000 and attracts over a thousand visitors.

## Get online at library

HELP is being offered at Dorchester Library to help those not used to computers to get online.

Dorset's Citizen's Advice Bureau (CAB), has teamed up with Dorset County Council Library Service to make sure people have a chance to use technology to solve their problems.

Bureau manager Daniel Cadisch, said: "This is an exciting new partnership that helps people to get online using the library computers and make the most of the internet and all it has to offer."

"We know that many older people are not confident when using computers and may not have access to the internet at home. Our trained volunteer advisers, together with library staff, will be on hand to guide people through the process of using the internet for online services including benefit claims and accessing help and support."

Councillor Colin Jamieson, Cabinet member for community services at the county council, said: "One in five adults are not computer literate, so they can find it intimidating to get started. We want to help people grow in confidence and be able to help themselves. The outreach team based at the library are experienced and qualified staff so we want to encourage people to take advantage of the facilities, particularly if they do not have a computer at home."

The outreach service will be available on Monday afternoons between 1pm and 4pm and on Wednesday morning between 10am and 1pm.

## Music and flowers

'MUSIC and Marriage Anniversaries' is the theme of a flower festival at Winterborne Monkton church this weekend.

The event will include live music at 2.30pm and cream teas and refreshments will be available on both days, Saturday 21st and Sunday 22nd. The Monkton String Quartet will perform on the Saturday and Duncan Honeybourne on the Sunday.

Opening times are 10am to 5pm.

The arrangements have been provided by churches across the area and each will mark a particular wedding anniversary.

## Bumper crowds flock to open day

■ ABOVE Principal Clare Davison with Army Preparation course students and kayakers and below with Harris Hawks

BUMPER crowds flocked to this year's Open Day and Country Fair at Kingston Maurward College on Sunday - making it the most successful yet.

Thousands of visitors sampled fine food and drink and picnicked on the lawn whilst watching live music by the lake including Howling at the Moon, the Decadettes, and two bands from the Thomas Hardy School.

New students starting in September toured their academy areas and were welcomed to the college in preparation for their enrolment in a few weeks.

Visitors also enjoyed a day packed full of activities at the academies including tractor driving, pony rides, meeting the animals, kayaking and tree climbing.

Fitness demonstrations and disciplines performed at the lakeside by outdoor adventure, Army preparation and uniformed public services students.

Dog shows and displays throughout the day proved popular, along with the Animal Park with circus skills, bouncy castle and competitions.

Clare Davison said: "The atmosphere was tremendous, young and old enjoyed the day, and our staff and students were superb!"

## Museum launches competition

DORSET County Museum has launched a design competition - with the winner seeing their artwork printed and used to help a development project.

The museum plans to build a Collections Discovery Centre directly behind the main building in High West Street which will provide greater access to artefacts.

As part of the fundraising project, a new competition has been launched to find a design to help promote the project. The chosen design will also be printed onto items to be sold in the museum

shop to raise funds for the appeal.

David Taylor, the fundraising leader at the museum said: "We would love someone to come up with a design that sums up everything the museum stands for - its fantastic building and the artefacts which tell the story of the archaeology, geology and natural history of Dorset."

Jon Murden, Director of Dorset County Museum said: "The project for our new Collections Discovery Centre is now fully underway and we are doing everything we can to make it a success. The new centre

will enable people to have much greater access to our collections which are so important to the cultural heritage of Dorset."

The competition is open to students in local schools and colleges as well as to individuals. Anyone interested in taking part can pick up an entry form from the museum - the closing date for entries is Friday, July 4th.

The competition will be judged on Tuesday, July 22nd by Lady Fellowes of West Stafford.

## Bright future for transition town

TRANSITION Town Dorchester has become an official Community Interest Company.

The group's annual general meeting at the community farm in Poundbury heard that all the documentation had now been approved.

The meeting heard what volunteers have been doing and their plans for the future. Reports were given about the community farm, the orchard and a possible future woodland project which TTD has applied to run through the Communities Living Sustain-

■ TRANSITION Town Dorchester members enjoy a barbecue at their AGM

ably project.

Before the meeting started, several visitors went for a tour of the farm, to see the geese,

the flourishing vegetables in the polytunnel and raised beds and the bees, and then up to the orchard to look at the

new pond.

The annual meeting was followed by a barbeque and socialising in the sunshine.

# New wheelchairs to be rolled out in hospital

DORSET County Hospital is the first hospital in Europe to take delivery of new state-of-the-art wheelchairs.

The chairs, from medical equipment company Stryker, are proving extremely popular with patients, visitors and staff as they are easier to manoeuvre and more comfortable than traditional hospital wheelchairs.

Medical Devices Manager Frank Williams sourced the chairs after experiencing the tradi-

tional wheelchairs as a patient himself.

"We had been looking at getting some more modern wheelchairs and using one of the traditional chairs myself was a great way of seeing what features could be improved," he said.

"The Stryker chairs have larger wheels which make steering and cornering easy and the armrests fold back easily for better patient access.

"The push handles ac-

commodate virtually any height of person and the flip-up footrests have a swing away function so they get out of the patient's way easily. There's also a one-touch central foot brake.

"Most importantly these chairs are also very comfortable and safe for the patient."

The hospital currently has 10 of the new chairs and plans to purchase more as part of its rolling replacement programme.

# MP welcomes drop in unemployment

WEST Dorset MP Oliver Letwin has welcomed news that unemployment in the area has fallen below one per cent, but called for more to be done to "raise the profile" of rural communities.

The Minister said there were "grounds for optimism" across the South West, and that he hoped other parts of the country would "follow the lead" of West Dorset and move towards full employment.

Writing in a post on his web site, Mr Letwin said: "I cannot remember the last time this happened – but it was certainly a very long time ago, and it is wonderful that we are now, locally, getting to within a whisker of full employment."

"I hope that, now the economic recovery has properly set in, we will see more and more of the country following West Dorset's lead and moving towards full employment."

"Of course we still need to do much more to stimulate the growth of jobs that are well-paid and rewarding in more ways than just financially."

"It is very reassuring that the great bulk of the jobs created in the last few years have been full-time rather than part-time, but we also need to ensure that the full-time jobs are really good jobs which will

encourage people to remain in the South West and in West Dorset."

Mr Letwin reserved specific praise for the project to regenerate Bridport's Literary and Scientific Institute, plans for which were unveiled last week.

And he called for efforts to be made to boost West Dorset's rural communities.

He added: "I think we need to do more to raise the profile of the more rural parts of Dorset as a place where businesses of many types can flourish and can provide highly skilled and highly paid jobs."

"This is one of the reasons why I am so enthusiastic about projects like the revival of the Literary and Scientific Institute in Bridport – and it is also why I think we need to find more ways of enabling businesses like those on the Granby Industrial Estate or the Gore Cross Industrial Estate to locate in West Dorset."

"I sometimes get the feeling that there are people in West Dorset who doubt whether encouraging these sorts of world-class businesses to establish themselves locally is compatible with preserving the tranquility and beauty of our countryside and of our lovely rural towns. But I think there are actually very good grounds to be optimistic about this, too."

# Council launch online support service for community groups

A NEW online "advice shop" has been launched to help community groups in Dorset.

The newly-launched pages, which have been created by West Dorset District Council and Weymouth and Portland Borough Council, aim to help community groups looking for support on a wide range of topics.

Advice on everything from how to manage projects, run and govern community groups, health and safety, fundraising and licensing is available.

Councillor Anthony Alford, Vice-Chairman of West Dorset District Council's Executive Committee, said: "Providing online

advice for community groups who might be struggling with certain issues is important. Hopefully this will help them carry on being such a force for good in our district."

The new web pages also provide useful links to a range of organisations that offer help and support, including Dorset Community Action and the Volunteer Centre Dorset.

Alex Picot, Chief Executive of Dorset Community Action, said: "We are pleased to support the work of West Dorset and Weymouth Borough Councils in bringing together this useful introductory resource for local communities."

"Dorset Community Action looks forward to working with our council colleagues in

supporting local groups and volunteers that play such an important role in delivering services for local people. These webpages will be another step in making it easier for groups to find the assistance they require."

Anybody not online can either request a paper copy of the information or come into a council reception and print off the pages they need.

The webpages can be found at - [www.dorsetforyou.com/community-advice](http://www.dorsetforyou.com/community-advice)

## Dorchester Hearing Centre

# How's your hearing

CURRENTLY one in six people in the UK – an estimated 10 million people – have some form of hearing loss. Local Specialists, The Dorchester Hearing Centre have been raising awareness and understanding of the issues surrounding hearing for over 50 years now.

Jonathan Ormerod, hearing aid audiologist, and his team at the Centre are proud to be promoting this important healthcare issue. 'Most people will go and see a dentist or an optician, but don't think about their hearing in the same way. We are encouraging people to come and have a free hearing test.'

He continues, 'Often people think if they had a hearing impairment they would know. However, hearing loss happens gradually and the signs are subtle. Our abil-

ity to adapt to those small changes makes it difficult to accurately self-diagnose and other people may notice it first. It is easy to blame others for not speaking clearly or mumbling. But undiagnosed hearing loss can cause frustration and withdrawal, often placing an undue strain on relationships.'

'Patients are often surprised when I show them hearing aids. They remember their granny wearing a 'large beige banana' behind her ear. Advances in technology have made hearing aids remarkably discreet. There

are even hearing aids now that you can control with your mobile phone.'

If you think your hearing is not what it once was or you know someone who does not hear so well, the Dorchester Hearing Centre are offering free initial consultations and hearing tests. Call them on 01305 260153 to book your priority appointment.

## Susan Gale

*Feeling good helps you look good, even to yourself*

ARE you more critical of yourself than of others? Do you find it hard to accept compliments but easy to take on negative inputs? Do you hate how you look even though others say you look fine?

The mind is an amazing thing. Especially your subconscious mind. Generally it works well, and works automatically for us.

This is fine if it's repeating good stuff. But sometimes we can get stuck in repeating wrong stuff. Wrong attitudes, wrong reactions, wrong self-view...

Your subconscious mind is very powerful. So if it's stuck in a bad rut, you can be fighting yourself, wearing yourself out. And still not be able to break free. If you want to change for the better, hypnotherapy can help.

We're always better when we feel good. You look better, you have more energy and more interest in life. It's how we're meant to be. Maybe you just need a bit of help to clear some stuff and enjoy life to the full. Maybe it's long-standing difficulties that are getting in your way.

Susan Gale, of the Beltain Centre in Dorchester, can use hypnotherapy and her years of experience to help you.

She has a very down to earth approach and always tailors the therapy to the person.

Susan has been working as a hypnotherapist since 1989 and has helped many people. Take a look at her website [www.beltain.co.uk](http://www.beltain.co.uk) or phone 01305 267069 to see how she could help you.

## Dorset Weight Loss

# Lose weight by changing your lifestyle habits and behaviour

CHARLIE Bartlett is a weight loss consultant specialising in behaviour change. She is a postgraduate of weight management as well as being qualified in life coaching and behaviour change. Over the past ten years, she has helped hundreds of people to lose weight and keep it off, and has now set up Dorset Weight Loss in Dorchester.

'Many research studies have shown that people can significantly increase their chances of losing weight and keeping it off when they receive behaviour change intervention as well as reducing calorie intake and increasing exercise. 95% of people who use a diet-only approach lose weight but then put it all back on – over and over again. So, what I do is give people a much more comprehensive approach to weight loss which uses not only a calorie-controlled diet but also behaviour change counselling. I help people make simple but effective changes to their lifestyle behaviour and habits so they can maintain the changes for the rest of their life.'

The new eight week weight loss and behaviour change programme is specially designed to give people the optimum chance of losing weight and keeping it off. All sessions are on a private 1-2-1 basis.

'I am so confident that people will lose weight on the programme that I offer a full refund for anyone who doesn't.' Isn't it time to try something different?

## Southfield Vets

HERE at Southfield Veterinary Centre we pride ourselves on being at the forefront of the latest veterinary innovation and development. We feel that the prevention of disease is always the best approach and to that end have recently rolled out a new vaccination protocol for dogs targeting Leptospirosis. This nasty disease, which can be carried by rats, is most prevalent in rural areas and is extremely difficult to treat. Until recently we have vaccinated against the two most common strains but as it is a rapidly evolving disease other strains have become more common, widespread and equally deadly. In response our vaccine manufacturer has developed a new vaccine protecting against an extra two strains of the disease. Living in a rural area we feel this is important to offer our clients the very best up to date protection available.

At present we are seeing lots of ticks on our pets and have recently added a new product to our armoury against parasites. As a tasty tablet for dogs "Bravecto" offers an alternative to the other products available against ticks and fleas that provides three months protection from a single treatment. The manufacturers of this product are so confident that they even offer a money back guarantee if there are any treatment failures.

It is also worth remembering that June is National Pet Identification month. We recommend having your pets identified so if they get lost or stolen they can be easily traced and returned to you. Don't forget under government legislation it will become a legal requirement to have all dogs identified from 2016.

## Lottery funding to display Bankes family history

**T**HE Dorchester-based Dorset History Centre has received support from the Heritage Lottery Fund for its plans to allow better access to items relating to the Bankes family of Kingston Lacy.

The project aims to catalogue the archive of the Bankes family, former owners of Corfe Castle and Kingston Lacy, which spans 700 years.

Working with the National Trust and the Priest's House Museum in Wimborne, the project will also include a range of activities to engage with audiences through exhibitions, volunteer engagement and schools learning.

The centre has been given £23,500 to help it develop its plans with its partners and then to apply for a full grant in 2015.

The archive pre-dates the Bankes' purchase of Corfe Castle in 1635 and the project will catalogue the 800 boxes of historical information,

conserving some of its fragile contents and digitising a range of important documentation.

The archive references hundreds of properties and thousands of people who lived and died within the orbit of the Bankes dynasty. The papers of William John Bankes, most prominent of the family include superb drawings charting his early 19th Century travels in the Middle East. He later went into exile and organised the re-design of Kingston Lacy from his home in Venice.

As a result of the project, Dorset schools will have access to a range of historical information and, through digital technology, the archive will also be available to the general public. A heritage apprentice will also be recruited, offering a young person a detailed insight into the management of heritage assets.

Exhibitions are planned for a range of venues and an oral history project will record

■ KINGSTON Lacy house, home of the Bankes family

the memories of people with links to Kingston Lacy and the Bankes estates.

Sam Johnston, County Archivist, said: "This is

a superb opportunity to take a remarkable collection of national and international importance out of its boxes and make it relevant to people today. It will also allow us to create a fantastic learning resource for schools so that pupils can learn more about Dorset's history.

## Visit a dream, green home

A VISIT to a green, dream home is on offer for just £3 on Sunday, June 29th.

The members of LETS – a trades exchange scheme covering Weymouth and Dorchester – are inviting people to join them when they look round the Ourganics Permaculture Plot in Litton Cheney from 12.30-3.30pm.

Ourganics is a demonstration home and market garden. The house is self-built, low-impact, timber framed, made largely of recycled material and is not connected to the national grid.

Solar hot water is provided for an occasional hot tub, laundry and washing up. There is a gas and solar PV powered

shower in the polytunnel.

The kitchen is outside, with an open firepit for cooking, and the house features a compost loo, a flood garden, forest garden, 28m polytunnel and willow beds.

The owner uses wood from a woodland planted 15 years ago, and grows seasonal flowers, fruit and vegetables to sell to local cafes, a box scheme and two farm shops.

Children are welcome but need to be closely supervised as there are deep ponds.

Numbers are limited – book with Sally Cooke on 01305 267758 or sal-cooke1@gmail.com.

## Last chance to request bin changes

RESIDENTS have until tomorrow (Thursday, June 19th) to request different containers for the new Recycle for Dorset service starting in October.

The changes affect 50,000 households in Weymouth and Portland and part of West Dorset including Abbotsbury, Chickerell, Maiden Newton, Martin-stown, Sherborne and Yetminster, who should have received a leaflet last month.

Residents who think the service will not meet their needs should contact the Dorset Waste Partnership (DWP) by

June 19th to make sure they get the right containers before October.

People can request help if they would be unable to move their containers themselves.

Households also have until June 19th to pay for a fortnightly garden waste collection.

The quickest way to make a request is online at [www.dorsetforyou.com/recyclefordorset](http://www.dorsetforyou.com/recyclefordorset).

Alternatively, residents can call 01305 221040 between 8.30am and 5.30pm, weekdays.

## ONLY THE FINEST FOLK IN LYME REGIS THIS AUGUST

LYME Folk Weekend is back with a bang this summer, once again featuring some of the country's leading lights in the folk world as well as the very best local talent, and finishing with a brilliant and unmissable family show.

The festival had a hugely successful first outing last August with crowds enjoying the beautiful late summer sunshine, flocking to Lyme as the town came alive with music and dancing.

And this year's event, from August 29th-31st, looks like being even better, with three fabulous

Marine Theatre shows, great live music nightly on the Pilot Boat second stage, Morris parade including the return of the amazing Steampunk Morris, street theatre, busking, singarounds, story-telling and countless other activities and attractions.

Tickets are already on sale for the three Marine Theatre shows, which kick off on Friday August 29th with the legendary Martin Simpson, widely acknowledged as one of the finest acoustic guitarists in the world. Multi-award winner Martin's solo shows are intense, eclectic, spellbinding, and deeply moving.

Also appearing on Friday night is Jim Causley, a massive favourite from last summer's festival, Jim returns to charm us once again, this time as part of a brand new duo with guitarist Lukas Drinkwater.

Saturday night brings an opportunity to see the wonderful Lisa Knapp, firmly established as one of the most creative and distinctive artists around. Her critically acclaimed album, Hidden Seam, includes the haunting Two Ravens, winner this year of Best Original Song at the Radio 2 Folk Awards. She is bringing her band to Lyme, the perfect setting for her beautiful, dramatic and adventurous songwriting.

Also back due to popular demand are Ducie, who blew audiences away last summer. The Mancunian quartet are here again with their thrillingly unique virtuoso style. Don't miss it.

And finally to Sunday afternoon – hold on to your hats for the wonderful Demon Barbers XL, we guarantee you've never experi-

enced anything quite like it.

The Barbers bring their no-holds-barred approach to the concert stage with a modern new twist on their award-winning Roadshow. Come and see the UK's most exciting young folk, hip hop and break dancers in the live folk music spectacular of the year. Truly one for all the family.

# World Music From Joe Driscoll and Sekou Kouyate

Plus support from Dorset based singer/songwriter Gris-Gris

AFRICA'S most hypnotic Kora player Joe Driscoll has joined forces with New Yorker Joe Driscoll, whose musical style is heavily influenced by folk and hip hop. They don't speak the same language but their debut album Faya has proved to be an unexpected success. There will also be support from Dorset singer songwriter Gris-Gris.

The duo met in port city of Marseilles, home to many a nomadic soul. Sekou Kouyate, originally from Guinea was raised in a large musical family tradition. Yet it is his ability to take his extraordinary playing and transcend this tradition that has set him apart.

Guitarist Joe Driscoll, is the man Cee-Lo Green labelled 'the gangsta with an iron lung'. He has been

touring steadily for years, spreading his unique fusion of folk and hip-hop. The result is a mad fusion of afro beat, hip-hop, folk, and reggae, that defies any simple tags or description.

After a few weeks of improvising and jamming together, they had found a musical bond of kindred spirits. Though from different ends of the Earth and different cultures, they had reached the same path by ignoring all musical and physical boundaries in the pursuit of true inspiration.

Sekou said of the partnership: "He doesn't speak any French, and I speak no English... but through music, we understand"

Dorset based singer/songwriter Gris-Gris will open the show, she loves to tell the stories that exist

within everyday life and history, often finding that truth can be stranger than fiction. Hypnotic guitar riffs in off-kilter rhythms combine with blues tinged vocal melodies and ethereal harmonies.

Sekou Kouyate and Joe Driscoll play at Bridport Arts Centre on Tuesday, June 24th at 8pm.

Tickets £14/£13/£12 from Bridport Arts Centre Box office 01308 424204 or visit the website at [www.bridport-arts.com](http://www.bridport-arts.com)

# The Ballad of Martha Brown

A dark and moving tragicomedy about the last woman to be publicly hanged in Dorset as witnessed by a young Thomas Hardy

1856. A tale of jealousy and passion. An ordinary woman and her ordinary husband, a hatchet grabbed in haste, a murder, an accused horse, a black silk dress, and the mob at the hang-fair who gawp in glee. Angel Exit's new show, *The Ballad of Martha Brown*, uses wicked humour, ensemble storytelling and macabre songs as a grim chorus of hollow-eyed storytellers invite you into their mysterious world where Martha's life is played out under the constant stare of the gallows above.

Martha began life as a dairy-maid in Powerstock, a hard life of mud and toil, and after surviving her first husband and her two children, she gave up on the notion of happiness until she met her second husband John Brown. He was twenty years her junior and theirs was a passionate relationship which descended into domestic violence and infidelity. Angel Exit look at the circumstances that catapulted Martha Brown from being an insignificant milk-maid to an infamous murderess tried in Dorchester County Court and hanged by the infamous hangman William Calcraft in front of

3000 people.

Audiences will be moved by the touching humanity of a relationship on the rocks and then find themselves laughing at the absurdity of Martha's situation as highlighted by the mischievous chorus of storytellers.

Angel Exit perform *The Ballad of Martha Brown* in Bridport and Lyme Regis this week. On Thursday, June 19th, 7.30pm at the Marine Theatre, Lyme Regis - tickets are £12 or £8 (concessions). To book tickets, contact TIC on 01297 442138 or visit [www.marinetheatre.com](http://www.marinetheatre.com).

“There is so much vivid theatricality and inventiveness at work here that I am already looking forward to its next show”

Lyn Gardner,  
*The Guardian*

The show will be performed at Bridport Arts Centre at 7.30pm on Friday, June 20th and Saturday, June 21st - tickets are £12, £10 and £8, available from [www.bridport-arts.com](http://www.bridport-arts.com) or by calling 01308 424204.

## Grade II listed Manor Yard transformed into a magical venue

**T**HREE years ago Manor Yard was a somewhat dishevelled Grade II listed 18th Century stables and barn in the centre of the village of Symondsbury. Now after major renovation it has been transformed into a stunning and magical venue along with a café "Symondsbury Kitchen".

As it now stands the main Cider Barn

houses the Symondsbury Estate Office. The stables have remained as they have always been and are currently empty. Gillian Hulse Glass is now occupying one of the artisan units and "The Shed" Hair & Beauty Salon now occupies 2 of the units. The last remaining unit will be opening as Symondsbury Estate Farm Shop very soon!

The Old Milking Shed to the right of the

yard is now operating as Symondsbury Kitchen – a newly renovated state of the art café, with view of Colmers Hill when seated outside. The café is open seven days a week, from 9am – 5pm, with offers on freshly prepared breakfast, lunch, and afternoon teas. Although closed most evenings, it is open occasionally for special events and is available for private hire, with a separate private dining room.

The food served in the café is all locally sourced as you'd expect, with the vegetables and salad leaves from their very own Symondsbury Estate garden. They use a range of local suppliers for everything else, even down to the tea to quench your afternoon thirst coming from the fabulous Dorset Tea.

The café is now fully licensed and is serving alcohol!

Manor Yard is very proud to be hosting its first local art exhibition, "Three's Company".

Billie Willcocks, Brian Cocks & Mike Jackson are the local artists that make up the

"Three's Company" exhibition at The Old Pottery from Friday, June 20th to Thursday, July 3rd. The paintings will be exhibited for two weeks with the preview for the exhibition on Friday, June 20th where you can meet the artists and join them for drinks and canapés between 5pm and 7pm.

An interesting mix of land and seascapes – with a variety of medium including Acrylic, Gouache, Watercolour, Ink and Charcoal.

"I am so excited about being able to exhibit in Manor Yard, the space available is so beautiful" Billie Willcocks announces, "From the moment the dates were confirmed I haven't stopped painting!"

The Tithe Barn will be available for viewings during these two weeks for Weddings, Events and Private Hire. Symondsbury Kitchen will be open serving breakfast, lunch and afternoon tea so please come and see for yourself how Manor Yard has been transformed.

**S**YMONDSBURRY Estate are holding their first Jazz Brunch at The Tithe Barn in Manor Yard, Symondsburry. The Frank Griffith Trio will be performing a mixture of mainstream and modern jazz on Sunday 20th July from 11am – 2pm, followed by DJ James Baker finishing up with a little jazz on the decks. Enjoy the soothing sounds with a delicious brunch in the beautiful surroundings of Manor Yard.

Heading up the trio is Frank Griffith – born in Eugene, Oregon – and having previously lived & worked in New York he has worked alongside Ron Carter, Mel Tormé, Dame Cleo Laine & many others.

He has also played lead alto with the Glenn Miller Orchestra. He's no stranger to the area as he has played annually at the Bridport Arts Centre since 2010 featuring the music of Miles Davis, Dave Brubeck and Stan Getz. Joining Frank is Mike Outram – a Manchester born guitarist who has been known to grace the stage with Martin Speake, Herbie Mann, Tim Garland and the widely-loved pianist and folksmith Billy Bottle. Also on the stage will be Julian Bury who has played with everyone from Gilbert O'Sullivan to Bobby Wellins and Jim Mullen.

After the trio have performed DJ James Baker will play a selection of Jazz on the decks to wind down the event.

Julia Butcher - Marketing Manager for Symondsburry Estate says "We are immensely excited to be planning our first Music event in Symondsburry. Even more exciting is the fact we are holding the event in the Tithe Barn! This marks the long awaited completion of renovations at Manor Yard in Symondsburry, it would be great to see as many people there as possible to join in the celebrations, and what better way to do it than with a little jazz!!"

There will be a full bar available – and we will be introducing the Manor Yard Bloody Mary – a concoction of Black Cow Vodka & Dorset Tomato Juice.

Tickets are £10, which includes entry and the brunch. Alternatively you can pay just £5 for the Jazz only. Tickets are on sale now! ## HEADLINER ANNOUNCED FOR BIG MIX FESTIVAL

ORGANISERS of this years Big Mix festival in Lyme Regis have released details of the headline act who are performing at this years event on July 5th as well as the chance to buy early bird tickets for the event. The festival, which is run by B Sharp, is finalising the line-up for the day which will include around 25 young acts from the South West.

This years headline act is Stony Browder Jnr, who play fast and funky mutant disco and are touring throughout Europe, bringing their jungle set to festivals and gathering devoted fans along the way! They have been recommended by Papa Le Gal, last year's headliner, who have shared a stage with them and know they are just the act for the final party spot. "We always wanted an upbeat, party band to end the night", said Pete Wild, co-organiser of The Big Mix, "and when JV from Papa Le Gal showed us footage of Stony Browder Jnr. we knew they were perfect. They are a true up and coming band who are touring extensively and have a real musicality, so they will complement our young musicians perfectly."

This year's lineup provides 10 hours of non stop music; an eclectic mix of upbeat and groove based acts including disco, jazz, rock, rap, latin, indie, folk and electronic music.

Set against the stunning backdrop of Lyme Bay in the Theatre Square, next to the Marine Theatre in Lyme Regis, this one-day music festival is back by popular demand, bringing to your doorstep a showcase of some of the most exciting vibrant young music acts around. Last year audiences

swelled throughout the day with everyone dancing into the night.

B Sharp Director Fran Williams says "B Sharp, The Marine Theatre and other festival partners learnt a lot last year about how to deliver a great festival; and this year promises to be better still, with ticketing, security, stage, sound, and catering all improved. All the proceeds will go back into the B Sharp Big Mix pot ensuring this event can run in the future. In partnership with local traders and volunteers we will provide stalls, BBQ, the Aroma Pop Up café and the Theatre Bar (18+). All this and the hammocks, flags and deckchairs are returning for a 2nd year."

"This festival is for all: young people, families, in fact people of all ages. The message is be sure to get your tickets early, put the day in your diary and get ready to dance as it's quote s Big Mix festival time!"

Early Bird Tickets for under 16s are available from Lyme Regis Tourist Information office Telephone: 01297 442138 E-mail: [lymeregis.tic@westdorset-weymouth.gov.uk](mailto:lymeregis.tic@westdorset-weymouth.gov.uk)

The Big Mix is organised by B Sharp, an inspiring and progressive youth music organisation, working with partners and young people to develop local skills and opportunities for young people. B Sharp welcomes offers of financial support and help with fundraising.

Organisers are looking for volunteers to help steward and for a before and after festival support team for the Big Mix event. Please get in touch if you can offer assistance. # Tickets selling fast for Bridport music festival

WITH a month to go the Jurassic Fields Music Festival 2014 is catching the imagination of the public with tickets selling fast for the event to be held at Asker Meadows, Bridport on Saturday July 12th.

The first of its kind in West Dorset, the daylong 'not for profit' event runs from 10am until 11pm and offers a day of music, comedy and fun for all the family.

The music will be held over two stages with a main stage and one smaller acoustic one, and will complement each other to allow a continuous flow of music throughout the day. The acts will consist of mainly local bands with a more mainstream known band Dodgy, headlining on the main stage to close the festival.

Dodgy, an English power pop rock trio that rose to prominence during the Brit-pop era of the 1990s who are best known for their hits "Staying Out for the Summer", "If You're Thinking of Me", and "Good Enough".

Local Weymouth band The Leggomen are headlining the acoustic stage. This very popular trio have developed a large set list with a blend of modern pop & rock as well as older classic songs.

Also performing are a mix of local talent as well as up and coming bands from around the South West including The Rising who recently supported The Feeling and Razorlight at Plymouth's

Volkfest Event.

Other bands playing include : Jonathan Cotton, The Transitions, Vanilla Radio, The Mutter Slater Band, Funky Munks, Elijah Wolf, Sam Rich, Daisy Wardle, Peter James Milson, Mr B the Gentlemen Rhymer, Shelby's Elbows, Peter Crawford and Logan Carter.

To find out more about the bands playing as well as links to their music you can follow the link on the festival webpage: <http://jurassicfields.com/band-biographies/>.

Nine comedians headed by Joel Dommett will be making the day go with a laugh on the Comedy stage.

Dommett has had a hugely exciting career since starting stand up comedy in 2007.

He was the face of MTV in 2012 and presented their daily news bulletins, and has also worked on the live new Channel 4 after show, Live in Chelsea, How to Survive a Disaster Movie (Channel 5) and the hugely successful Impractical Jokers (BBC3).

Joel is one of the fastest rising stars on the UK comedy circuit having gained rave reviews for his debut solo Edinburgh show, Neon Hero, in 2011 and second show 'Nunchuck Silver Medallist 2002' in 2012.

He has since performed stand up on Russell Howard's Good News on BBC Three and has numerous acting credits to his name, including Popatron on BBC

Two and Skins on E4.

As well as the bands and comedy there is also a kids funfair, children's entertainment and free face painting as well as a number of food and clothing stalls.

Recently arranged is the increasingly popular Body Zorbing that is sure to be a bit of fun for adults and children alike.

The organisers have been running various fundraising events in the run up to the festival including a race night and duck race which has raised over £2000 towards the cost of the event.

The festival is aimed at being a community event with all profits being reinvested. Eighty per cent of any profit generated will be used to make next year's occasion bigger and better, whilst 10 per cent will be donated to local music projects in and around West Dorset, with the rest going to a local charity or club chosen by the festival committee from all applications.

To get your tickets before they all sell out you can visit Bridport, Sherborne, Dorchester or Lyme Regis Tourist Information Centre or you can also call the ticket hotline on 01308 424901. Tickets are also available to be purchased online via the website at <http://www.jurassicfields.com/tickets>

## Acclaimed Tyneside vocalist Zoë Gilby ventures south for Bridport debut

Zoë Gilby will be singing her unique take on jazz with Philip Clouts at the piano in the Jazz Café at Bridport Arts Centre on Friday, June 20th.

Zoë Gilby is an ambitious jazz vocalist and songwriter from the North East of England who is steadily gaining a national reputation. A constantly expanding repertoire starts with her compelling original compositions and includes a wide range of more contemporary material from composers such as Pink Floyd through to Kate Bush, as well as some superb interpretations of "The Great American Songbook."

In December 2013 Zoe's third album "Twelve Stories" was released, a powerful collection of songs with a strong narrative, delivered with a commanding mix of musical sophistication and dramatic edge. The original material is an engaging repertoire of story telling and atmosphere. The contemporary covers are an adventurous blend and the sensitive treatment to a couple of jazz standards completes this particular "story-book"

Zoë's late father Mike Gilby was a respected trumpeter and arranger - he passed on his passion for music and has been a huge influence in Zoe's musical journey. She studied music for two years at Newcastle College and later attended Fionna Duncan's Vocal Jazz Workshop in Glasgow. Her influences

Zoë Gilby

include Carmen McRae, Nancy Wilson and Sheila Jordan to name but a few. Zoë is well deserving of the respect that she has been receiving from many jazz publications, and she has performed with some of the UK top jazz musicians, including Alan Barnes, Dave Newton and Jim Mullen.

Zoë has performed to international audiences in China, Finland and Ireland as well as continuing to tour extensively at venues and festivals across the UK.

Zoë Gilby performs with Philip Clouts at Bridport Arts Centre on Friday, June 20th at 8pm. Tickets are £10 available from the Box Office on 01308 424204. For more details visit [www.bridport-arts.com](http://www.bridport-arts.com)

# Up to 40 Balloons in Devon for Annual Balloon and Music Festival!

THE Tiverton Balloon and Music Festival have announced that a record number of Hot Air Balloons will be attending and participating in this year's ballooning extravaganza. The Festival will be taking place at the combined Petroc and Tiverton High School Campus on Friday 11th, Saturday 12th and Sunday, July 13th, with up to 40 Hot Air Balloons from across the country due to take part.

Previous years have seen as many as 30 Hot Air Balloons fly high above Mid Devon, turning the skies into a mass of colour, as well as performing in the Fire and Light Shows and taking part in the popular Public Interaction Sessions, where festival goers can get up close and personal to the balloons themselves. With the Festival growing year on year, 2014 will see an even greater number of balloonists visiting the South West to take part in this dazzling event.

Festival Organiser, Charlie Street, said of this year's record number of Balloons, "It's fantastic to see this event being both well received by the local community as well as by the national ballooning community. More balloons attending this year will result in larger "Fire & Light" shows taking place, greater morning & evening mass ascents and better afternoon public interaction sessions being put on for festival goers. To date we've raised over £25,000 for local charities, clubs and organisations and with more balloons taking part this year, alongside our increase in camping capacity, I'm sure we're going to be able to build on this figure."

In addition to the balloons themselves the Festival will have over 50 musicians and bands performing across two Music Stages, showcasing a diverse range of musical talent from around the UK. There will also be Aerial Displays featuring RC Helicopters, an On-Site Planetarium, a Comedy Night on Friday, Falconry Displays, Circus Skills and Drumming Workshops, Artisan Craft Stands, award winning Food and Drinks Stalls and a Kids' Zone.

To purchase tickets to the Tiverton Balloon and Music Festival 2014, including Camping, Group Deals and Premier Parking options, please call the booking office hotline on 01404 823 735, visit [www.tivertonballoonfestival.co.uk/festival-tickets](http://www.tivertonballoonfestival.co.uk/festival-tickets) or pop in to your local Tourist Information Centre.

## Thatched period cottage in the popular village of Broadwindsor

A thatched period cottage situated within its own grounds on the outskirts of this popular village with amenities. Shepherds Cottage was built circa. 1800 of local Hamstone and under a thatched roof, the current owners further extended the accommodation in 1973. With beautiful far-reaching countryside views to the South and East, three double bedrooms, good-sized gardens, outbuilding, workshop and double garage the property has much to offer.

Accommodation would benefit from modernisation and includes many period features such as exposed stonework, original beams, an Inglenook fireplace, window seats, wooden latched doors and a flagstone courtyard. The front storm porch leads to the well planned accommodation that includes an entrance hall with cloakroom, double-aspect drawing room, sitting room, kitchen with dining area and stable door to the garden. On the first floor there are three good-sized double bedrooms and a family bathroom. The cottage benefits from oil-fired central heating throughout and partial secondary-glazed windows. Outside the driveway offers ample parking for several

vehicles and leads to a double garage which adjoins the workshop and utility/outbuilding, front courtyard with raised borders and a large rear garden that sweeps around the cottage from north-east to south-west. Marketed with no onward chain Shepherds Cottage is definitely a must see.

Accommodation includes: Entrance Hall – Sitting Room – Kitchen with Dining Area – Drawing Room – Cloakroom – Three Double Bedrooms – Bathroom – Utility/Outbuilding – Workshop – Double Garage – Large Gardens – Vegetable Garden – Summer House – Far Reaching Views of the Surrounding Countryside

## The New BMW M3 Saloon and BMW M4 Coupé

▲ The new BMW M3 Saloon and M4 Coupé

THE launch of the new BMW M3 Saloon and new BMW M4 Coupé heralds the arrival of the fifth-generation of the iconic high-performance sports car from BMW M. For the first time the Coupe and Saloon models receive individual model names, in deference to the different model series that provide their basis.

Another first is the adoption of a turbocharged engine for this BMW M model: the high-revving, 3.0-litre six-cylinder in-line engine with M TwinPower Turbo technology has been specifically developed for this purpose, and produces a maximum output of 431hp. Its peak torque of 550Nm is available across a very wide rev range starting at just 1,850rpm, and exceeds the figure recorded by the outgoing BMW M3 by roughly 40 per cent. In spite

of this, the new engine also achieves a reduction in fuel consumption and emissions of around 25 per cent.

To maximise dynamic ability and ensure excellent efficiency, a weight loss of over 80kgs has been achieved compared to a comparably equipped predecessor model. Specific weight-saving measures include the increased use of lightweight materials: both models now feature a carbon-fibre reinforced plastic roof.

BMW M engineers have paid particular attention to the car's aerodynamic performance, and incorporated the latest Active M Differential amongst numerous other technical highlights. During the development process the engineers worked closely with BMW Motorsport's professional racing drivers, with exten-

sive testing and set-up work carried out on the Nürburgring Nordschleife circuit.

**The balance of the overall concept: high power, low weight, driving pleasure.**

The new BMW M3 Saloon and new BMW M4 Coupé are formed from a host of finely blended elements, all working in perfect harmony to deliver outstanding performance, precision and agility on road and track.

With the new BMW M3 Saloon and M4 Coupé, the engineers sought to optimally channel the air around the car in the quest for ultimate performance, while also ensuring the engine, powertrain and brakes receive the requisite cooling. Even when operating under heavy loads on the racing circuit. The aggressively styled front apron, smooth under-body and the clearly defined lip spoiler at the rear of the M3 Saloon (or integrated bootlid spoiler at the rear of the BMW M4 Coupé) reduce lift by an equal amount at the front and rear axle, to the benefit of handling.

Albert Biermann, Head of Development at BMW M GmbH, said: "The way in which we channel the inflowing air through the engine oil cooler creates a venturi effect, which reduces front axle lift and, in so doing, improves the steering."

The Aero Curtain and M side gills, the latter with integrated Air Breathers minimise turbulence in the front wheel arches. These elements, together with the aerodynamically optimised side mirrors in familiar M twin-stalk style, are not only distinctive design features, they also help to reduce drag.

**The new six-cylinder in-line engine: high-**

**revving, turbocharged unit combines the best of both worlds.**

The new BMW M3 Saloon and new BMW M4 Coupé mark a return to the classic six-cylinder in-line engine configuration, as used on the second and third- generations of this iconic sports car.

The new engine sees a slight power upgrade over the previous V8 to 431hp, now delivered between 5,500 and 7,300rpm, with maximum revolutions set at an unusually high figure for a turbocharged engine: 7,600rpm. Peak torque has been increased by roughly 40 per cent to 550Nm, and is maintained over a very wide rev range (1,850–5,500rpm). The standard sprint from 0–62mph takes both cars just 4.3 seconds with manual transmission, or just 4.1 seconds with the optional M DCT, while the top speed

is 155mph (electronically limited). The new powerplant also boasts excellent fuel economy: the combined consumption in the EU cycle is as high as 34mpg and CO2 emissions are as low as 194g/km, an improvement of more than 25 per cent over the previous model's figures. Regulated pollutant emissions are EU6-compliant.

The M TwinPower Turbo technology comprises two fast-responding mono- scroll turbochargers, High-precision direct injection, VALVETRONIC variable valve timing and Double-VANOS continuously variable camshaft timing. VALVETRONIC and Double-VANOS work in tandem to seamlessly control intake valve lift. The result is a smooth and efficient power delivery, with very sharp response and reduced fuel consumption and emissions.

## Weymouth Basketball Club - annual awards evening

# Basketball club celebrate successful season

WEYMOUTH Basketball Club marked the end of their 2013-14 season with their annual presentation, celebrated at Aura Restaurant and Bar on the seafront.

The club continues to find success, developing their nine teams; as well as having two junior players, Matthew Williams-Davey and Jerry Thompson, called up to the Dorset regional team, whilst the senior men won the Exeter & District Division 2 playoff.

Highlights also include improvements in the youth development programme, co-ordinated by Alex Fuhrmann, on Saturday afternoons.

The U12/U14/U16 all competed in the Dorset Storm central venue leagues, with U12 and U14 both finding top half success in their respective leagues. The U9 program also continues to grow as the club registered a record number within the age group, offering ses-

sions for only £1 per child.

The men's teams; Bandits, Cowboys and Raiders all showed a competitive spirit in their respective leagues with mixed results. Cowboys showed their worth, winning some very high profile games in their respective competition.

Bandits had the hardest task in Solent Division One finishing bottom of their table, and Raiders with their first year in Solent Division Four, were able to stay away from the bottom of the table with a solid run to close the season.

Weymouth Huskies showed determination and promise, switching back to the Exeter & District ladies competition and landing of a very respectable 5th place in their most successful season to date.

Presentations were made to individual players from each team in the club, whilst three

more awards were also made to those in the club who had made the effort off the court, with Eric Olson winning the Coach of the Year for his continued work with the U14 team as well as running the Cowboys team.

Olson also won the annual Huw Price Service to Basketball Trophy in recognition of his willingness to represent the club as a county referee.

There was also the creation of a new award to the club, allowing players to vote for their own players' player. It went down to the line as the contest was decided by a single vote in favour of Vitoldas Balciunas.

Club Development Officer, U16 Coach and 1st Team Coach Alex Fuhrmann said: "We would like to thank all members and parents for attending the evening, and especially Aura for their support."

"We will still strive to have a positive impact

on our community and are excited about moving forward."

The club maintains training throughout the summer and welcome those who wish to attend. For more details of current training and the new season in September, visit [www.weymouthbasketball.co.uk](http://www.weymouthbasketball.co.uk).

# Tucker's tornado puts Cattistock clear

WITH STUART BROOM

FOR the second week running Steve Tucker and Dan Belt make the headlines in the Dorset Funeral Plan.

Tucker followed up his blistering 98 last week with an even more impressive 158 as Cattistock put daylight between themselves and the chasing pack with a crushing 215 run victory at Wimborne & Colehill 3rd's.

Meanwhile Dorchester's captain Belt steered the county town to victory over previously unbeaten Martinstown, taking three wickets and then hitting the winning runs that sees them move above their local rivals into second place.

Weymouth's recent winning spell came to a halt with a disappointing defeat at Wimborne & Colehill.

### WIMBORNE & COLEHILL 273-8

**BEAT WEYMOUTH 150-8 BY 123 RUNS**  
WEYMOUTH slipped to their second defeat of the season and to fifth place in the league with this disappointing loss at Wimborne & Colehill.

Despite another excellent spell of bowling from Dave Trotter conceding just 20 runs from his ten overs, opening bat Joe Weld put the Weymouth team to task with a masterful 111, well supported by James Williams (70), the pair putting on 144 for the third wicket.

Only the introduction of John Ryan with 4-17 late in the innings finally brought any relief to the Seaside; Jim Ryall collecting another three victims behind the stumps.

Only Simon Browne with a dogged unbeaten half century got to grips with the home attack, finishing 54 not out in a total of 150-8.

## Premier League 2

### DORCHESTER 156-3 BEAT

**MARTINSTOWN 155 ALL OUT BY 7 WICKETS**

THIS eagerly anticipated game ended in a decisive victory for Dorchester. Martinstown arrived at the Rec unbeaten, whilst the county town after a patchy start were looking to put a good run together.

Unfortunately Martinstown were missing four regulars including spinner Ryan Chase who has taken 15 wickets in just four games this season, and Ross Stewart who has been prolific with both bat and ball.

Regardless of this, Dorchester had to thank Will Caldwell and Quenton Miller for a fine second wicket partnership of 85 that set the platform for their victory.

Winning the toss Martinstown batted but found opening bowlers Dan Belt and Eamonn Scott hard to get away, and after 18 overs only had 35 on the board and Dave Herbert (9) back in the pavilion, bowled by Belt.

Henry Lewis (32) batted well and despite losing skipper Ed Nichols (8), looked to be building a good partnership with Jack James (23) until he ran himself out. With spinners Caldwell (3-26) and Joe Power (2-42) also keeping a tight rein, wickets began to tumble regularly. James Reynolds (11) and Teddy Andrews (18) showed resistance but Belt (3-21) came back to tidy up the tail to see Martinstown bowled out

for a fairly paltry 155 all out.

Pete Moxom (16) looked in good form in reply until he found a leading edge and was caught at mid-off with the score on 26, but Caldwell (35) and Miller (40) played sensibly and with restraint before they were both trapped leg before by Reynolds (2-10) to leave Dorchester on 114-3.

However Fergus Guppy (21no) and Belt (19no) saw them comfortably home with seven wickets to spare.

Nichols said: "It was a blow to be without four regulars, particularly Ryan Chase who has taken a lot of wickets already, and Ross Stewart who has been in form, but we didn't quite get going against some tight bowling; we needed to someone to get a big score and it didn't happen. Henry Lewis played very well until he ran himself out, and both James Reynolds and Teddy Andrews did well with both bat and ball."

Belt was delighted with his charges in the field, but picked out Caldwell and Miller for special praise.

"It was their partnership that won the game for us; they did the perfect job and laid the foundation for the win.

"I thought we did extremely well to restrict them to 155 on what was a 220 wicket.

"We kept it tight and although we didn't get too many wickets early on we didn't let them get away and restricted them to two or three runs an over.

"Spinners Will Caldwell and Joe Power then took over and found a little bit of turn which saw them struggle even more.

"They are a good team so to win in the way we did was very pleasing."

## County Division Two

**WIMBORNE & COLEHILL 3RD 147 ALL OUT LOST TO CATTISTOCK 362-5 BY 215 RUNS**

STEVE Tucker was once again the man of the match, following his quickfire 98 last week with an even more impressive 158 as Cattistock strolled to victory at Wimborne & Colehill 3rds.

Even the prolific Jon Legg, who scored 93 last week and followed with another impressive innings of 101, had to take a back seat as the pair put on 259 for the second wicket, after Mike White had gone for 23 with the score on 46.

Tucker blasted the home bowlers to all corners of the ground, hitting 17 sixes and 9 fours. He only faced 64 balls, 17 of them dot balls, and his second 50 came off just ten deliveries.

Billy Walbridge finished 31 not out as the visitors racked up a massive 362-5 in their allotted overs.

D Hicks (32) top scored for Wimborne as they regularly lost wickets to Bradley Damen (2-40), Legg (3-21) and Ben Gollidge (3-30) to be dismissed in less than 30 overs.

## PORTLAND RT 309-6 BEAT

**BEAMINSTER 151 ALL OUT BY 158 RUNS**

PORTLAND won the toss and their openers Dave Adkins (68) and Matt Randall (83) immediately put Beaminster's bowler's under pressure with aggressive running between the wickets and powerful

hits to all parts of the small ground.

Wickets were hard to come by on the flat track as Beaminster's weakened line-up struggled for control or containment. Portland's top six batsman all made useful contributions particularly the excellent Randall who smashed a classy 83.

The only positives for Beaminster were three fine catches including Jack Walklett's effort; running and diving full stretch. Portland closed their innings on 309-6; a superb effort by the high flying team.

In reply, Beaminster's openers Chris Lamb and Walklett (23) showed some resistance, putting on 60 for the first wicket, with Lamb batting well throughout to make a fine 80.

At the other end wickets fell regularly as Beaminster were unable to keep up with the run rate with only Ross baker (14) reaching double figures.

The damage was done by spinner Chris Leake (4-36) who dismissed the top four visiting batsman, as Beaminster were dismissed in the 43rd over for 151.

## WEYMOUTH 2ND 183-8 LOST TO

**DORCHESTER 2ND 184-5 BY 5 WICKETS**  
DORCHESTER 2nds moved off the bottom with their first win of the season in this local derby leaving Weymouth 2nds in bottom spot.

## County Division Three

**BRIDPORT 85 ALL OUT LOST TO**

**SHERBORNE 2ND 126 ALL OUT BY 41 RUNS**

MARK Smith gave a captain's performance in his last game before handing over the reins to Duane Gay, but it couldn't prevent Bridport from failing to overtake Sherborne 2nds small target of 127 for victory.

Smith who has found it impossible to continue leading the side because of a change of job and moving to Yeovil to live, is still passionate about keeping the side in the league to ensure the young players coming through the ranks can play locally.

"We've had problems getting teams together some weeks which has made captaining a side even more difficult with my circumstance.

"But I will help Duane as much as I can as vice-captain to make sure we nurture and encourage the young players."

Having put Sherborne into bat, Smith was delighted with the bowling and fielding performances which saw Gay pick up 3-38 and Sam Challis 2-7 as Sherborne were dismissed for a fairly paltry 126 all out with newcomer Levi Gale unlucky not to take a wicket in his five overs.

Smith opened the innings in reply and could only watch as Challis and Liam Toohill were dismissed in the first three balls before Bridport 0-2.

Gay (10) helped him recover the situation slightly before Ollie Lee (27) joined him.

However, the partnership didn't flourish ans the skipper was dismissed for 28, and with no one else contributing, Bridport were dismissed for just 86.

"Smith added: "Everything looked fantastic when we were in the field with great bowling and fielding. The

problem was when we had a bat in our hands!"

## County Division Four

**BRADFORD ABBAS 176 ALL OUT LOST TO PORTLAND RT 2ND 177-6 BY 4 WICKETS**

PORTLAND RT 2nds stay joint top after this victory over bottom side Bradford Abbas.

## County Division Five

**MARTINSTOWN 2ND 225-8 BEAT**

**SHAFTESBURY 86 ALL OUT BY 139 RUNS**  
WITH a few changes to the side, Martinstown won the toss and decided to bat first.

After early losses that saw them 38-3, a hundred partnership from O'Brien and Crosthwaite set the innings back on course. Despite a few wobbles, useful contributions from Gargrave and Andrews helped push the total up to 225-8 from the 40 overs.

The Shaftesbury reply started steadily, with the openers putting on fifty, against steady bowling from Fello and Gargrave.

Tony Jacobs got the first couple of wickets, and with the pitch perhaps refreshed by a little rain, the rest of the batting collapsed pretty quickly to some accurate bowling and good catches.

Shaftesbury were finally all out for 86, giving Martinstown the full complement of bonus points.

## County Division Six

**BEAMINSTER 2ND 140 ALL OUT LOST TO**

**BERE REGIS 2ND 253-3 BY 113 RUNS**

A VERY inexperienced Beaminster team including four colts couldn't stop league leaders Bere Regis recording a resounding win, although captain David Hall was very pleased with the attitude and performances of them all.

Batting first J Lambert, who carried his bat for 134 not out, and R Symes (53) put on 164 for the first wicket, before Ryan Sweatman (2-44) bowled Symes and next ball knocked over O Bannerman's stumps.

With Hall (1-35) taking a return catch off his own bowling there was a glimpse of light for Beaminster, and despite a great spell from colt Justin Nottley who bowled eight overs for just 40 runs, M Willey (42no) joined Lambert to set a target of 254 for victory.

Hall (29) kept the Bere Regis attack at bay at the top of the order, before Scott Parker weighed in with a superb unbeaten 67 not out.

Credit must also go to Toby James who held up the visitor's celebrations by batting 40 minutes for eight runs.

## Sunday Division Four

**SYMENE 190-9 LOST TO**

**SHILLINGSTONE 194 ALL OUT BY FOUR RUNS**

ONLY a brilliant stop inches from the boundary prevented Liam Toohill from clipping the last ball of the innings for the four runs that would have given Symene a draw in what had appeared to be an improbable run chase.

Opener Matt Salisbury (101) who is a prolific run getter for the Saturday 1st team scored a century as Shillingstone looked to be cruising to a big total at 168-3.

However, his dismissal by Ed Halson (1-18) triggered a collapse as six wickets (the visitors only had ten men) tumbled for just 26 runs as Graham Bartlett ripped through with 4-18 and a total of 194 all out.

Symene were always up with the clock as opener Nick Skyrme (32) and Phil Hawkins (40) took the game to them.

A couple of maiden overs saw the run rate rise, but Toohill looked to have put his side in a winnable position.

But he couldn't squeeze the last ball over the ropes, leaving him unbeaten on 60 not out, and Symene so close to a share of the points.

BROADWINDSOR got back to winning ways with a comfortable win in Somerset.

Asked to bat, the champions got off to a good start with Chris Park and Steve Phillips (28) putting on over 70 for the first wicket.

Park went on to complete his century and carry his bat with a single off the last ball of the innings, as Broadwindsor closed on 191-6.

The hosts never really got going in reply with Broadwindsor's younger bowlers coming to the fore. Jack Walklett claimed 3-25, whilst Rob Meech (2-20) and Ryan Sweatman (2-25) both bagged a brace.

# Felgate and Davies lead fightback

**UPLYME UNDER 15 XI 114 FOR 6 BEAT CERNE VALLEY 90 FOR 7 BY 24 RUNS**

UPLYME travelled to Cerne without the services of Daley Holmes who was away on county training duty and found themselves in trouble at 0 for 2 having lost both openers Wellman and Murray to the pace bowling of Roper and Frampton.

Wesley Holmes tried to counter attack but was also clean bowled by Roper.

With the score on 15 for 3 Harry Felgate and captain Rhys Davies led the fight back. Both batted sensibly to see off the new ball attack and were then able to open up against the later bowlers.

Felgate hit eight boundaries in his 38 whilst Davies contributed with five 4s and a six in his knock. Both batsmen reached the retirement score of 35 and left it to wicketkeeper Luke Johnson (9) to take the

innings to a close at a below par 114.

Cerne opened brightly and were up with the required rate whilst Roper and Frampton were at the crease.

Davies and Holmes were unable to bowl a consistent length and the two openers took advantage scoring 25 and 17 respectively.

However, the introduction of man-of-the-match Felgate curtailed the flow of runs and resulted in the loss of two quick Cerne wickets.

Holmes then returned to bowl Longly and White and to put pressure on the lower order batsmen. Young South African batsman Nick Helstead-Cleak stood firm with 16 not out but he could not accelerate the run-rate and Cerne finished on 90 for the loss of seven ball wickets giving Uplyme their third consecutive league victory.

**UPLYME UNDER 13 XI 97 FOR 6 BEAT PUDDLETOWN 86 FOR 6 BY 11 RUNS**

ON a glorious evening Uplyme chose to bat first against a useful Puddletown side.

With the rope well back and a rather long outfield boundaries were hard to come by and trying to over hit led to the downfall of Daley Holmes for 16.

Holmes was followed by George Hussey who, having been dropped in the covers, found himself being run out as the fielder threw down the wicket at the bowler's end.

There then followed the match winning partnership between Ben Prosser (24) and Max Helston (24 not out) with the pair managing to lift the score to a respectable 97 in the allotted 18 overs.

Puddletown showed a lot more experience in their batting by hitting the ball over the in-field and then pushing the singles

when the fielders were placed deeper.

All the earlier batsmen backed-up well and sprinted their first run.

As a result they were up with the required run rate at 21 for 1 and then 52 for 2.

The turning point came when Helston ran out the Holland for a duck with a direct hit, having only one stump to aim at. Holmes then trapped Ashfield lbw for 18 and had Chatfield caught by Louis Morel for 22.

At 77 for 5 with four overs to go it was either side's game. However, Dom Bernhardt was brought into the attack and bowled an accurate line and length to finish with 1 for 5 from two overs and effectively stifle the Puddletown effort.

Uplyme take on Bere Regis in the next game tomorrow (Thursday) and will be trying to maintain their winning run.
